

Spending the Day With Jesus Mark 1:29-34  
Walking in the Shoes of Jesus

have you often wondered what it would be like to walk a day in the shoes of the President or some famous person? Have you ever wondered what it would be like to walk in shoes of Jesus don't that ever endeavor anyway? to follow him in his steps

We should try to have his mind set his example.

I. The Company of Jesus That Day - Last week, ... What a day at Church! Miraculous! Yet he leaves not with the rulers of Syn, but w/ lowly fisherman, keeps Co. w/ any  
A. Jesus Left the Synagogue<sup>1:34a</sup> - Jesus and disciples leave the Synagogue for Simon's house. Jesus was not left behind on the Synagogue steps. No continued walking on w/ Jesus I feel that so many times we leave Jesus standing on the front steps of the church. What we do here is to go beyond these walls. There's no time clock at the back of church. Leave in Co. of  
B. Jesus Lodged at Simon's - The mat only left with Jesus but Simon Peter brought him<sup>him</sup> to the same w/

The home is mostly where the masks come off.  
Put up a good front Sun + Wed few hours but at home  
it is usually seen what we really are. Just as our  
worship centers around Christ, so should our home  
Speaking of Jesus, comparing of Jesus should  
not be awkward, or out of place. Home is a place of <sup>worship</sup> too

II. The Calling upon Jesus by the Disciples  
When visiting at someone's house... Problems... <sup>Prayer</sup> go to  
owner... But when Jesus... Warren W. The Guest becomes <sup>insight into</sup> Host.

A. The timing of Their Calling - When did  
they come to Jesus. "Amen!" immediately & <sup>straightway</sup>  
They didn't wait around to see if Jesus might take  
interest. They didn't come to him as a last  
resort after seeking out the physician, no!  
Immediately they put 2 and 2 together and took  
it to Jesus. Recently Visited a shut in from our church  
who indicates, "People might think crazy, talks out loud & lala

B. The Trouble of Their Calling - They were  
unafraid to bring their troubles to Lord. Words  
say fever left her bedridden, and sick for some time. They  
interceded on behalf of sick woman! They cast their  
heart ache and problem on the Lord. 2 Chron 16:12  
Asa, 2 Kings 20:1-2 Hezekiah. Take your burden  
to the Lord before Dr or prayer circle. This is so  
elementary yet so neglected. O what peace we

III. The Compassion of Jesus for the Diseased  
Here the Servant is continuing to serve  
He springs into action.

A. The Sincerity of His Compassion v31

CONVERSION I. In a general sense, a turning or change  
from one state to another;

2 Chronicles 16:12: 'In the thirty-ninth year of his reign Asa was diseased in his feet, and his disease became severe. Yet even in his disease he did not seek the LORD, but sought help from physicians'. It wasn't a fault to seek help from physicians, his problem was he shut the Lord out of his troubles.

2 Kings 20:1-2 In those days was Hezekiah sick unto death. And the prophet Isaiah the son of Amoz came to him, and said unto him, Thus saith the LORD, Set thine house in order; for thou shalt die, and not live. Then he turned his face to the wall, and prayed unto the LORD...

'O what peace we often forfeit,  
O what needless pain we bear  
All because we do not carry  
Everything to God in prayer'

Everything to God in prayer,  
All because we do not carry  
O what needless pain we bear  
O what peace we often forfeit,

It is fitting that the King summons subjects to be brought to him, but not the Servant of Jehovah. He came to her. The oral law and traditions would stipulate unlawful to touch. But the sincere compass

of Jesus reaches out to touch. The love of Christ for fallen humanity gushes forth. What more

### B. The Service of His Compassion - Its

One thing to have compassion, to have a heart that gushes out in love and mercy. It quite another thing to be able to do anything about the problem. The hand of almighty God can move and work in the most distressed situations. Have seen God touch

the most hopeless scenes to bring great <sup>change</sup> ~~miracles~~

### IV. The Conversion by Jesus The Divine

I love the old song. What a wonderful <sup>change</sup> in my life has been wrought. Conversion.

### A. The Immediacy of Her Conversion - there

was no convalescence or time of recovery. Mark's favorable word was used "immediately". Cook on television "Bam!" What a picture of salvation! We don't get stages or installment in salvation. Bam! Night is turned to day. I know

a lot has to be learned. But we can not deny there is a new creature experience, a born again exp

### B. The intensity of Her Conversion - Minister

means to serve or to wait on. The one who was served by Jesus began to serve. Verheijert

a progressive action she kept on and on and on serving. Barclay. Why do you have health and strength to serve. God didn't save you to sit & soak, he saved you to sing & serve.

#### V. The Completeness of Jesus' Deeds -

Our day w/ Jesus didn't end there, word was spreading. Birds feet on telephone lines humming  
A. Despite the Moment - 133 it was now after sunset. The Sabbath over. News spread. People waiting on 3 stars to carry sick & possessed to Jesus. The hour is late the labors were many and yet Jesus on into the darkness continuing the labors. More times than <sup>serve can at incident</sup> not opportune to  
B. Despite the Motive - these folks were not ones coming to be his disciples & follow. They were not convinced of Teaching. They came for a miracle. Came w/ need. Wrong motive and yet Jesus still healed & cast out devils. ~~The~~ much like world today.

C. Despite the Malady - Divers Disease decumens, No matter what the ailment Didn't stop the drunk homeless ~~cleanly~~ addicted.

#### VI. Closing -

Barclay – She used her recovered health to renew her service.

John Wesley, the great evangelist, each evening took an appraisal and a review of every hour of his day to account for whether or not he was really serving the Lord as he should. If we did that, what would our days be like?
